

Research Services

SOPHIE HYDÉN PICASSO AND TERESIA RINDEFJÄLL

Research Services – external funding bodies in focus

Support the University and its researchers in attracting external research funding:

- The European Framework Program – Horizon 2020
- Swedish funding requiring nominations by the University Board, primarily the Wallenberg foundations
- Some American federal funding, primarily NIH

MSCA Individual Fellowships

Individual Fellowships:

- For experienced researchers (PhD or 4 years of full-time research experience by call deadline)
- The fellow must undertake transnational mobility
- The fellow applies jointly with host institution
- Application focus on science AND career development/training
- Financial contribution to salary (flat rates adapted to host country)

Types of MSCA fellowships

- **European Fellowships (EF):** 12-24 months in a EU member state or associated country. Open for European and non-European researchers.
- **Global Fellowships (GF):** secondment to third country 12-24 months + mandatory 12 month reintegration period in Europe. Open for European nationals or long-term residents.

Yearly calls, next deadline: 10 September 2015

More information on Participant Portal:

<http://ec.europa.eu/research/participants/portal/desktop/en/home.html>

Support from Research Services

- Finding calls
- Discussing funding opportunities
- Support in the application process including budget
- Support during the project phase
- Information about funding opportunities and events

Finding funding opportunities

- Email send lists for sub-programmes in Horizon 2020 (Marie Curie, Climate, Health, Energy, Transport, Inclusive societies, ERC etc.)
- Newsletter; Forskningsnytt – Research Funding News (email sophie.hyden_picasso@fs.lu.se to register)
- Research Professional – database with international calls for research funding

Search calls in Research Professional
