**Travel information for LU-participants**

Please book your train ticket (2:nd class) well in advance (in order to get the best price).  
Use our travel agency VIA Egencia +46 40 6085750, [customer\\_service@egencia.se](mailto:customer_service@egencia.se). Tell them to debit the cost to cost center 156911, ref Annika Malmgren-Widerberg.

The best way to get to the hotel is to take bus number 52 from Brunnsparcken (close to the railway station). The bus takes you all the way to the hotel. You get off at bus stop "Utlandagatan". You can also take the tram number 2 or 4 from the railway station to "Korsvägen" but then you will have to walk up a fairly steep hill to get to the hotel. Tickets for the bus/tram can be bought at "pressbyrån" at the railway station.

Best regards,  
Annika
